SOME FOUNDATIONS

Give general operating support

+ give indicators of what they want to see

THIS IS NOT POWER SHARING

Principles Project Workshop 2. Illustrated by Marina Roa from SenseTribe
Try to build a community around GRANTEES to involve them

A massive part of this is about creating trust & space to grow.
We are beginning to see these PRINCIPLES IMPLEMENTED in a range of philanthropic organizations from LARGE to small especially among human rights funders.
How to move towards additive processes?

Extractive Process  vs  Additive Process
