In your daily life, who do you talk to most?

Who can change your mind?

Where is your funding coming from?

How do you feel when something is not working?

Who makes the funding decisions?

Grantees feedback survey is a very interesting tool. Also survey those who did not get the funding.
This is a journey from a long term question to the whole structure and way of working. Principles project Workshop 4. Illustrated by Marina Roa from SenseTribe.
Where are human rights funders investing their money?

WHERE MONEY IS INVESTED IS A BIG CONVERSATION
